Local President Action Needed

Member Action Needed to Send Message to Legislators!
Tell them how budget cuts affect your work

The time has come for the 2009 Legislative Session and all the participation required to be successful. We have a lot of work ahead of us and need you to join us in our efforts. Collective action is needed to get a message out to legislators.

Nevada's legislators need to hear how budget cuts would affect our members' work. Everyone has been doing a good job at contacting lawmakers to urge them to preserve the education budget but they also need to hear how the cuts would impact the work you do.

Telling them personal stories would be very effective. We must show Nevadans how the proposed budget cuts would impact the services you, and your fellow educators and state workers provide to them.

Log on to our Legislative Action Center at <http://www.nsea-nv.org/LAC.htm> and paint the picture for them. Click on Contact Your Assemblyman or Contact Your Senator and let them read first hand how the cuts would affect your day to day work. They need to hear these stories as soon as possible. Please motivate your membership and urge them to reach out to their lawmakers. Together we can get our message across!
