

**REPEAL**

**THE STEAL**

**WEP/GPO MUST GO**

**HELP ENSURE THAT EDUCATORS GET THE SOCIAL SECURITY BENEFITS THEY'VE EARNED.  
ASK CONGRESS TO FULLY REPEAL BOTH THE WEP AND GPO.**

**Dear Congress Member/Senator,**

**As an educator, I'm asking you to sign on to HR 82 and urge House leadership to bring this critical legislation to a vote. GPO/WEP negatively impacts public servants across the country. This issue not only takes money away from committed public servants who have paid into the system, but also deters people from becoming public servants like teachers and police officers. We need to push for a repeal on all fronts to ensure shortages don't get worse.**

**Sincerely,  
Rachel Croft**
