**Elections and Credentials Committee**

**to the**

**2024 Delegate Assembly**

The NSEA Elections and Credentials Committee met several times in 2023 and 2024.

In 2023 the committee conducted the NSEA elections for the two officer positions of NEA Director and NSEA Secretary/Treasurer. One nomination was received for each position and the election was waived and the candidates declared elected.

In 2024 the committee conducted a full membership mail ballot election. This election was for the full membership to review and vote on the Strategic Goals and Outcomes for NSEA. The election is completed and the Strategic Goals were approved by NSEA membership.

This year, the committee continues to work on revising the NSEA Election Rules with Parliamentarian Steve Gorrie. These rules will be presented at the 2024 Delegate Assembly for discussion and action. Elections will continue to be conducted electronically for 2024 at Delegate Assembly. There are bylaw amendments up for election. Many thanks to the NSEA Elections and Credentials Committee for their work this year.
